**Date:** July 1, 2020

**Course update for participants of 61st online course on Satellite Photogrammetry and its Application**

Attention to the participants of **61<sup>st</sup> online course on Satellite Photogrammetry and its Application** -June 29 - July 03, 2020:

Participants are requested to join the live session through IIRS Youtube Channel (<https://www.youtube.com/user/edusat2004>). Attendance will be updated once you watch the same session under offline mode in later stage or attendance is updated by your Institute coordinator.

Due to heavy network traffic in E-CLASS server, the access to the course through E-CLASS is available with limited access during the live sessions of above course.

**Head, GIT&DL Department**  
IIRS, ISRO Dehradun
